

LONGER TOUR TO THE KOLBEINSDALUR

Day 1

We meet at Helluland in the afternoon or we will pick you up in Sauðárkrókur/Varmahlíð. After we had coffee and cake together we will show you our farm and we will start for our first riding tour. We will use the ride to teach you the Icelandic way of riding and how to tölt your horse for example. In the evening we are going to eat together and looking forward to start the longer tour at the next day

Day 2

After a good breakfast we will go to ride with a free herd from our farm to Fjall (about 35km). Fjall is a little house in Kolbeinsdalur, where "the wild horses" live over summertime. We will live there for the next days or drive back to our farm, depending on how we organise this tour this time.

Day 3

After breakfast we will ride into Kolbeinsdalur and hope to see many of the free herds. Today we will take hand horses with us, like in old Icelandic times. This ride takes around 2.5 hours. After our riding tour and lunch we drive to Hofsóss and we will go in the nice swimming pool there. Later we will have dinner together.

Day 4

Today we start after breakfast our riding tour in the other direction of the Kolbeinsdalur. Also here we will take hand horses with us. After this beautiful ride along the river side for around 2.5 hours we will go and visit Holar. In case of the horse museum will be open we will of course go in there as well.

Day 5

Today is our last day of riding and after the breakfast we will start to get back to Helluland. We will take another route from Fjall to Helluland where we have a beautiful view over the sea and you can prove what you learned about chasing horses :). At Helluland we eat the last time dinner and look back to all the nice experiences and impressions of our tour.

Day 6

We will drive you to Sauðárkrókur or Varmahlíð after we had breakfast.

All inclusive 1310€, beside the trip to and from the south to Sauðárkrókur

The participants of this riding tour should have some experiences in riding, but also it is possible to offer this tour to groups which are less experienced in riding.
